Career Objective

My **objective** is simply to be the best web **developer** that I can be and to contribute to the technology industry all that I know and can do. I am dedicated to perfecting my craft by learning from more seasoned developers, remaining humble, and continuously making strides to learn all that I can about development.

SUMMARY

I have been working in this web development since 2017, the period during which I have worked in different environments, from big consultancy companies to start-ups. I am a self-motivated and self-taught professional who likes to solve problems.

I merge a passion for usability and user experience with technical knowledge to create cool digital experiences. My repertoire includes programming languages and tools such as React JS, WordPress, Bootstrap, jQuery, and more.

Education

Master in Computer of Application (MCA) (R.G.P.V University Bhopal)

Bachelor in Computer of Application (BCA) (Jiwaji University Gwalior)

Certification

Full Stack web Developer from Naresh IT Hyderabad

Experience

I have 2 year Experience as a UI Developer.
(Roopa Informatics Ltd. Hyderabad)

Role in Company: Front-End Developer

Responsibly In Company: Create a new Presentation and layout of Website according to client requirement and send to Back-End Process.

What I'M Proud of

I am End to End web Developer.

I can make any kind of website according to Client Need
